Find Your Career Pathway

using a career compass

Welcome to the Career Compass. This will be a journey of a lifetime...but most likely you will take it many times so it's good to know the steps! We've broken it down into five steps to help you find your way.

1. **iNformation (North)**

- Take assessments
- Get information

2. **Explore (East)**

- Explore potential careers
- What can you do now to get an edge?
- Try it out to see if you like it

3. **School (South)**

- Find a college program related to your career interests.

4. **Work (West)**

- Interview adults
- Confirm your findings
- Locate opportunities

5. **Finale**

- Create a game plan for your future career

Let's begin with the first step: getting you the iNformation you need to **get started**.
